

Job Title: Legal Manager

Company: SmartAgro by Eterno Housing Pvt Ltd

Location: Andhra Pradesh & Bangalore

Experience: 8+ years in real estate or agro-realty

Employment Type: Full-time

Job Summary:

SmartAgro by Eterno Housing Pvt Ltd is seeking a skilled **Legal Manager** to oversee and manage the company's legal affairs related to land acquisition, regulatory compliance, contract management, and dispute resolution. The ideal candidate will have expertise in real estate laws, contract negotiation, and statutory compliance within the agro-realty sector.

Key Responsibilities:

- **Extensive Legal Expertise in Andhra Pradesh and Karnataka:** Must possess in-depth legal knowledge and experience specific to the laws and regulations of Andhra Pradesh and Karnataka.
- **Title Due Diligence:** Conduct comprehensive legal due diligence for properties to be acquired by the company, ensuring clear titles and compliance with local regulations.
- **Drafting & Reviewing Legal Documents:** Prepare, review, and negotiate various legal agreements, including:
 - Lease deeds, sub-lease deeds, Service Agreements, Letter of Intent (LOI), Service Term Sheets (Co-Working), leave and License Agreements for commercial office space.
 - Agreement to Sell, Deed of Absolute Sale, Joint Development Agreement, Memorandum of Understanding, Release Deed, Will, Partition Deed, Surrender Deed, Gift Deed.
 - Special Power of Attorney, General Power of Attorney, Mortgage Deed, Confirmation/Consenting Deeds, Declaratory Affidavit, and other property-related agreements.
- **Regulatory Compliance:** Ensure adherence to local, state, and federal real estate laws and regulations, including zoning laws and property tax requirements.
- **Comprehensive Legal Opinion on Company Properties:** Provide detailed and well-researched legal opinions on all properties associated with the company.
- **Client & Lawyer Communication:** Effectively communicate with clients and their legal representatives to provide legal clarity and persuade them on the legal compliance and clearance of company-owned properties.
- **Risk & Litigation Management:** Identify legal risks, develop mitigation strategies, and represent the company in legal proceedings. Liaise with external legal counsel and manage disputes related to land, vendors, and regulatory bodies.
- **Litigation Management & Dispute Resolution:** Take full responsibility for handling property-related litigation in court, with proven experience in resolving legal disputes through court proceedings or out-of-court settlements.

- **Regulatory Liaison:** Maintain relationships with government authorities for approvals, compliance, and dispute resolutions.
- **Government Office Coordination & Documentation:** Handle legal processes and liaise with government offices such as the Revenue Department, Land Records Office, and Registrar for land-related approvals, property registrations, and compliance filings. Assist in obtaining and renewing statutory approvals, including environmental and agricultural clearances.
- **Handling Revenue Matters:** Represent the company before Thasildar, Assistant Commissioner, and Deputy Commissioner on revenue-related matters.
- **Strong Government Liaison & Documentation:** Must be highly proficient in obtaining legal documents from MRO offices or other government departments efficiently, ensuring there are no unnecessary delays in the process.
- **Legal Advisory & Compliance:** Provide legal advice on property-related matters, including land acquisitions, leases, contracts, and other legal issues. Ensure compliance with real estate, environmental, and corporate laws.
- **Fast-Track Execution:** Ensure all legal activities, including litigation and compliance, are executed efficiently and within strict timelines.
- **Stakeholder Coordination & Documentation:** Work closely with internal departments, investors, and external agencies to ensure smooth legal operations. Maintain accurate records of all legal documents and develop legal policies and standard operating procedures.

Qualifications & Skills:

- LLB/LLM from a recognized university
- 8+ years of experience in real estate, land acquisition, or corporate legal affairs
- Strong knowledge of **RERA, land revenue laws, contract laws, and environmental regulations**
- Experience in handling litigation and arbitration
- Excellent negotiation, drafting, and analytical skills
- Ability to work independently and provide strategic legal guidance to management
- Proficiency in local language(s) and legal documentation is a plus
