SmartAgro operates with the sole goal of creating maximum profits for customers who have channeled their investments into our projects while maintaining ecological integrity.

#2471, 2nd Floor, 10th cross, Sahakarnagar, Bengaluru - 560092

JOB DESCRIPTION

The Manager - Marketing will plan, develop, and implement marketing strategies that enhance brand visibility, market presence, and sales growth for the company's dairy and organic dairy products. The role involves end-to-end marketing management including product positioning, brand promotions, digital campaigns, and customer engagement.

Reporting To: Managing Director / CEO / Head – Sales & Marketing / General Manager/Business Head

ROLES AND RESPONSIBILITY

1. Marketing Strategy & Planning

- a. Develop and execute annual marketing plans for all dairy product lines – milk, curd, ghee, paneer, butter, and organic dairy products.
- b. Identify target markets, product positioning, and pricing strategies aligned with company goals.
- c. Coordinate with the sales team to support business growth through promotional activities.

2. Brand Development & Promotion

- a. Build and strengthen the brand identity for the company's dairy portfolio.
- b. Plan ATL & BTL campaigns including hoardings, retail branding, and media advertisements.
- c. Drive brand awareness through innovative marketing communication and packaging design.

3. Digital & Social Media Marketing

- a. Plan and manage digital campaigns across social media, Google, and e-commerce platforms.
- b. Develop engaging content and promotional materials (videos, graphics, influencer collaborations).
- c. Monitor campaign performance using analytics tools and optimize for ROI.

4. Market Research & Consumer Insights

- a. Conduct regular market surveys and competitor analysis to identify trends and opportunities.
- b. Gather consumer feedback to enhance product development and improve market acceptance.
- c. Recommend new product ideas or modifications based on insights.

5. Events, Activations & PR

- a. Organize product sampling, exhibitions, and promotional events in key markets.
- b. Build partnerships with retail chains, dairy outlets, and institutions.
- c. Coordinate with media, PR agencies, and creative teams for visibility campaigns.

6. Coordination & Reporting

- a. Work closely with production, sales, and distribution teams to ensure marketing alignment.
- b. Prepare marketing budgets, track spends, and report ROI to management.
- c. Present monthly and quarterly marketing performance reports.

DESIRED CANDIDATE

- a. Bachelor's Degree in **Marketing, Business Administration, or Dairy Technology**.
- b. **MBA/PGDM in Marketing** preferred.
- c. **5–10 years of experience** in FMCG/Dairy product marketing with proven brand management track record.
- d. Experience in **organic or premium dairy segment** will be an added advantage.
- e. Strong knowledge of **FMCG/Dairy product marketing** and **rural-urban market dynamics**.
- f. Expertise in **digital marketing, branding, and product promotions**.
- g. Excellent **communication, creative, and analytical skills**.
- h. Proficiency in **MS Office, CRM, and marketing analytics tools**.
- i. Ability to manage multiple campaigns and work cross-functionally.
